

Cover Crops and Intercrops (any cover crops planted prior to July 2023)	Description
Tillage type (if any) to prepare for cover crop planting	Type of tillage (disk, cultivator, harrow, chisel plow, ripper, disc-chisel, moldboard plow, etc.)
Tillage (if any) depth to prepare for cover crop planting	Inches
Tillage date(s)	Dates for each type of tillage
Tillage passes	# of tillage passes for each type
All species planted	List of species planted
Planting date	Date
Planting rate (lbs/acre)	lb/acre or seeds/acre
Cover crop termination method	Tillage, herbicide, both
Date of first cover crop termination method	Date
Tillage in 2023 (all tillage not used to prepare cover seedbed or terminate cover crop)	Description
Tillage type to prepare for cover crop planting	Type of tillage (disk, cultivator, harrow, chisel plow, ripper, disc-chisel, moldboard plow, etc.)
Tillage (if any) depth to prepare for cover crop planting	Inches
Tillage date(s)	Dates for each type of tillage
Tillage passes	# of tillage passes for each type
Nutrient Management (Any fertilizer, manure, compost, etc. applied for the 2023 crop)	Description
Nitrogen rate (all sources - starter, fertilizer, manure, compost, etc.)	lbs/acre
Phosphorus rate (all sources - starter, fertilizer, manure, compost, etc.)	lbs/acre
Potassium (all sources - fertilizer, manure, compost, etc.)	lbs/acre
Sulfur rate (all sources - fertilizer, manure, compost, etc.)	lbs/acre
Gypsum rate	lbs/acre
Micronutrient type and rate	rate (lb/acre) for each type of micronutrient fertilizer
Manure or compost type	type of manure (beef, dairy, turkey, hog, chicken, etc.)
Manure rate	lbs/acre
Manure or compost date(s)	date
Crop Management	Description
Crop(s) planted	List of species planted
Planting date	Date
Planting rate	lb/acre or seeds/acre
Harvest(s) date	Date
Harvest method	Combined, hayed, silage, etc.
Harvest Yield	bu/ac, or tons/ac
Weed Management (for the 2023 crop)	Description
Product, rate, and date of each herbicide applied	Product, rate, and date
Irrigation for 2023 Crops	Description
Total irrigation applied for the 2023 season	inches
Grazing Management	Description
Duration, stocking rate, and livestock type for each grazing event	Days, livestock/acre, and livestock type (cattle, sheep, goats, horses, etc.)
