

**Utah Association of Conservation Districts
Cultural Resources Technician
Employment Announcement**

About the opportunity

The Utah Association of Conservation Districts is expanding their team and looking for dynamic individuals who are following their passion in delivering the highest-quality project work. UACD is seeking two **Cultural Resources Technicians** to assist the NRCS (Natural Resource Conservation Service) with processing cultural resource review requests, including conducting cultural resource inventories, field visits, and composition of associated archeological site records and results reports.

These positions offer overtime pay at time-and-a-half; single occupancy hotels for out of town mobilizations; and per diem. The typical work week will consist of a 40-hour week Monday – Friday, with some overtime possible. Positions will be located in the NRCS Service Centers, Ogden to cover northern Utah, one to cover southern Utah possible locations include: Nephi, Castle Dale, Fillmore, Richfield, Panguitch, or Ephraim.

What you will accomplish

- Conduct archaeological fieldwork including monitoring, survey, testing, and data recovery.
- Assist with mapping responsibilities in the field, including collection of GPS data using Trimble units.

Experience and qualifications for success

Required Qualifications:

- A Bachelor's Degree in anthropology, archaeology, or a closely related field or six (6) months field experience with a range of field methodologies, including survey, testing, excavation, and monitoring
- Current valid driver's license and the ability to safely operate a 4wd vehicle on rugged, backcountry roads required
- Ability to travel to remote locations, walk and conduct fieldwork for long hours, sometimes in inclement weather, rugged terrain, often at high altitudes, and ability to carry equipment and supplies weighing up to 40 pounds is required

Preferred Qualifications:

- An accredited Field School Certification
- Experience with a wide range of field methodologies, including archaeological survey, testing, excavation, and monitoring

This is a full-time position with a salary range of \$40,000.00 to \$42,082.00 (negotiable): depending on experience and capabilities.

The position includes health and dental insurance, vacation, and simplified retirement plan benefits.

Please submit a resume and an introductory letter, about yourself by close of business, October 20, 2023. UACD is an EOE.
